Upon reaching the age of majority (which varies by state), the custodian may request to remove themselves as custodian in order to reregister the account solely in the former minor's name. Upon reaching the age of termination (which varies by state), the former minor will take ownership and control of this account. The custodian will no longer be able to act after the minor reaches the age of termination. Please note that any money that the custodian contributes cannot be taken back and will be owned by the former minor. Additionally, at the age of termination, purchases and redemptions will be restricted and any dividends and/or capital gains set to pay out in cash will be reinvested until the former minor completes a New Account Application in their name and takes control of the account.
